if I get something wrong because some of these names have changed and I'm not sure I'm using the correct terminology, but with respect to the Children's Health Care Program, what...what has changed in the bill with regard to that? And, most...most importantly, I'm thinking about future funding for that. Where is that future funding...where would it come from if we need future funding there?

SENATOR JENSEN: Nothing has changed with the Children's Health Insurance Program. I think that is still one of those issues. You know, that was a five-year program, Senator Beutler, and we certainly anticipate and we hope that the federal government will continue with that. But if that should ever be a shortfall, some of these dollars are going to have to go to that in the future.

SENATOR BEUTLER: Okay. So this bill doesn't represent any kind of commitment one way or another as far as the...

SENATOR JENSEN: No.

SENATOR BEUTLER: ...the Children's Health Fund is concerned. Okay. Secondly, it appears to eliminate the loan program with regard to the Nursing Home Assistance Program. It used to be a loan program and a grant program. Is it now just a grant program?

SENATOR JENSEN: We never did the loan program and one of the reasons is we heard from our banker friends, who said the government, state of Nebraska, should not be in the loan guarantee business, and so we never did that. We never did a loan program. These are grants.

SENATOR BEUTLER: Okay, so that was...was that like one of those policy decisions that HH...that the department made when we had said there should be a loan program?

SENATOR JENSEN: Well, I don't know. That loan...

SENATOR BEUTLER: They just made another one for us.

SENATOR JENSEN: ...program was only...only to the nursing
